At this time I provide you with a sealed envelope containing a picture of an individual. Your task for today will be to describe the location of this individual on 15 Oct 1977. You have worked against this individual successfully before in other time windows. But today you are to narrow your focus only to the time window 15 October 1977 and describe the location of the individual in the photo in the envelope on 15 October 1977. Do you have any questions about your task this morning?

#66: Okay. Take a couple of minutes then to prepare yourself for this morning's session.

#66: Relax and concentrate now. Relax and focus your attention solely and completely on the individual in the photograph in the envelope I've provided you. Relax now and move your perceptions through time and space, focusing on 15 October 1977, 15 October 1977. Focus now, focus on 15 October 1977. Move through space and locate the individual in the photograph. Relax, relax. And now describe this location to me.
